Bureau of Indian Education – Minneapolis Region

March 28, 2012

Teacher of Distinction

These nominations are due now from each school. You still have time as the one selection from the Minneapolis region will be sent in April 2012.

ADD EAST Safety and Security Conference

The ADD will be hosting a safety and security conference April 17-18 at the BLN Office Park building in Bloomington, MN. We invite all security & facilities personnel, administrators, and principals to attend. Please see the attached flyer for more information and contact Misty Ziegler for questions or to RSVP.

Cooperative Agreement Unit

The appropriate CAU with school contribution is due April 2. For those who are unable to send in by this due date (due to April school board approval) we will notify DPA. All others: please send document showing approved amount. The spending plan is not due until November 16, 2012.

ISEP

The ISEP schedule will be coming out soon. The tentative dates are currently scheduled from April 24-May 16, but more details will come out in the coming weeks.

PIAP

A memo was faxed to schools that need to submit completion and verification forms for the second quarter (Dec.30). We are missing from **CIRCLE OF LIFE and NAY AH SHING**. Third quarter completion and verification forms are due **March 30, 2012**. Thank you Fond du Lac, Circle of Nations, Bug-O-Nay-Ge-Shig, Menominee, Hannahville, and Meskwaki for getting this in!

Special Education

Each school has to have their SPED count verified by DPA. We are patiently waiting on “correct” counts from DPA, so we can calculate your Part B allocation. If your count has stayed the same or close to the same you can be safe with estimating the same amount as last year.

ARRA WebEx

Thursday, March 29 @ 2PM CST. Federal reporters received the WebEx link.

NAEHCY Conference 2012

See the attached flyer about the NAEHCY conference in Albuquerque October 27-30.

Did You Know?

The BIE Minneapolis Education Line Office has a website! We are getting set up at www.minneapoliselo.bie.edu. And while it is currently a work in progress, we are looking for any input and recommendations you have. We want this to be a site for the schools, so we want to shape it to what will be most useful for you. Please take a look at the site and email Kirsten with any ideas for changes or additions that you would like to see. Thank you!
