Bureau of Indian Education – Minneapolis Region

October 29, 2012

Happy Halloween!

From FMIS to MAXIMO

Training to grant schools will occur December 6 or 7 in Minneapolis. Pick one day to attend and we'll see you then!

Regional Education Conference

The regional conference will be held December 10-11 here at the BIE site for the Minneapolis ELO, across from Mall of America. A draft agenda and hotel information will be available soon.

ISEP

Site visits concluded this week. If you have any missing or incomplete information from our visit, please be sure to send EVERYTHING in by TODAY!

NATIVE Star

Several schools have submitted these reports online. Please click the "submit for review" button and our office will provide feedback to you. You can then submit online. If you have any questions or need T.A., call Everett or Beth who will help you.

Common Core Training

For those Principals and staff attending Common Core training December 12-13, please respond by completing the SF182 Form and return to misty.ziegler@bie.edu or fax ATTN: Misty to 952-851-5439 if you have not done so already.

Every Native Vote Counts!

8 days until election day! Stay informed and be sure to vote on November 6!

Special Education Indicator 13

A desk audit will be conducted by our DPA office for high schools only the week of November 12, 2012. Please ensure that all IEP transition services documentation is uploaded into NASIS special education module. For reference, use the NSTTAC Indicator 13 checklist tool.

PLTW

Project Lead The Way (PLTW), an elementary program developed by the Museum of Science – Boston, has created a research-based, standards-driven, and classroom-tested curriculum that integrates engineering and technology concepts and skills with elementary science topics. Lac Courte Oreilles School in WI has recently been certified with PLTW and highly recommends it to our other elementary schools. Learn more at www.pltw.org.

NASIS Call

East Region Monthly Call: This school year, the Navajo region is scheduled the first Wednesday of each month, followed by the West region, **and then the East Region**.

EPA Draft

A draft of school health issues has been put on our website. Please review and recommend changes or additions if you see any necessary. The Bureau of Indian Education is asking schools for their input in assisting the EPA with this publication.
